

## GERMAN DTV SUBMISSIONS FOR 2016 ARE NOW OPEN

25.02.2016

Acupay is pleased to announce that German DTV submissions are now available online to obtain tax relief of any excess tax withheld on 2016 German dividend payments. To register and submit your quick refund applications, please go to [www.acupaysystem.com](http://www.acupaysystem.com).

Acupay offers a fast and cost effective tax reclaim service to custodians which allows shareholders residing in countries that have tax treaties with Germany to obtain tax refunds from the Germany Tax Authorities ("BZSt"). Most non-German investors are in fact eligible for a reduction in the effective rate to 15%, while many non-profit organizations and pension funds can obtain a full refund of the 26.375% tax withheld.

Acupay's technology and servicing capability has bridged the BZSt's proprietary electronic refund procedure (the "Datenträgerverfahren" or DTV) by providing an electronic link to the BZSt. This allows these reclaims to be filed electronically with minimal paper documentation.

Below you will find some of the German dividend payments for tax year 2016.
